

Cal MediConnect and Medicare Part D

When you join a Cal MediConnect plan, you will get health care and prescription drugs from your new plan. Your current Medicare Part D prescription drug plan will send you a letter telling you that your prescription drug plan will not cover your prescription drugs. You will not lose your prescription drug coverage.

Here is some more important information about the changes to your drug coverage.

- Soon, you will receive all of your Medi-Cal and Medicare benefits, **including Medicare Part D**, from the Cal MediConnect plan we tell you about in the other letter in this envelope.
- Your Cal MediConnect plan will become your new Medicare Part D plan, which means that coverage in your current prescription drug plan will end. You cannot keep your current Part D plan and be in a Cal MediConnect plan at the same time.
- You will continue to receive your prescription drug benefits from your current plan until your new prescription coverage from the Cal MediConnect plan starts. You will not lose your prescription drug coverage at any time.
- If you do not want to be in Cal MediConnect, you may keep your Medicare the same and stay in your current prescription drug plan. You will still have to select a Medi-Cal plan for your Medi-Cal benefits. You just need to let Health Care Options know your decision.

More information about your Cal MediConnect plan and other health care choices is included with this insert.
